Below is the configuration of events for your forthcoming solo-ensemble. I will send you the list of actual adjudicators as soon as I receive all of their signed contracts back.

Please note: groups listed in capital letters (WW, BR, STR, VOC, PERC) are in the major expertise of the adjudicator, and you may put any level and age of student in that event. Groups listed in lower case letters (ww, br, str, voc, perc) are in a secondary area of expertise of the adjudicator, and you should only put lower level and age of student in that event. This will ensure that each student receives the best adjudication possible.

You may add groups to a specific session if they fall into the instruments/voice indicated, but do not put them in an event not for that group. The ideal number of individuals/groups in each event is 40, but in an emergency you can push it to 44 (you won't win any prizes from the adjudicators if you do this).
